Horses Being Prepared
for the Junior Cham-
pion Stakes.

PROCTOR KNOTT IS BURIED.

Mike Dwyer to Enter Kingston
for the Garfield Stakes.

There will be a battle royal among the two-year-olds at Morris Park on Tuesday next. The best youngsters now in training will meet in the Junior Champion Stake, three-quarters of a mile, and the winner will carry off a prize over \$27,000. The race is probably the most interesting of all the two-year-old events, barring the Futurity, and every colt and filly will be as good as his or her trainer can possibly make them. Green B. Morris is training Ed Corrigan's Western Wonder, Huron, for the race.

He is also fitting his colt, Library. The latter has never started yet, and he is believed to be a world-beater. Matt Allen is getting Yorkville Belle on edge, and Matt Barnes will have Sir Matthew and Tammany ready to support the standard of Marcus Daly. Dave Gideon will send Merry Monarch for the race, and speedy Dugone will do battle for John Hunter. The race will probably be the best of the year, and if any one should ask for the name of the winner, whisper "Yorkville Belle," with Dugone close up.

Tenny has got over his "sulking fit" and is doing regular exercises. Nap Donovan had the swayback out yesterday trotting and cantering. He will be fit and ready to race in a few days.

Some one tried to blow Trainer John Higgins up yesterday. Mr. Lorillard's right-hand man found a big package of gunpowder in a closet in the kitchen attached to the Rancocas stable. Gunpowder was scattered about the floor also, and a small spark of fire would have sent the kitchen and its occupants to the sky. Higgins is a good boy, and little doubt there is no equal. Mr. Lorillard contemplated another big-billing with Fagot yesterday, but when Lambeth did not arrive at the track in time,

The Brighton Runners got in two hours at Jerome Park yesterday afternoon. They played Houston home and slapp'd all the winners on back. Both good things went through the wire, and the members of the club had a nice place.

Mr. Bill Daly and Peter Lorillard had a business conversation yesterday. The result was that Mr. Lorillard is to have second call on the \$10,000 he has loaned him. His capable riders, for Lambeth is a good boy and little doubt there is no equal. Mr. Lorillard contemplated another big-billing with Fagot yesterday, but when Lambeth did not arrive at the track in time,

At the Ottawa, Ill., races on Thursday, Dr. Sparks, a four-year-old trotter owned by A. J. Dowd, of Parts, Ky., made the remarkable time of 2.18.4 for a mile over a half-mile track.

Little Cog is a very good trotter for a youngster, but he is hardly strong enough to guide a heavy-headed horse around the turns at Jerome. Maggie Murphy came new pulling out of the saddle, on the club-house turn yesterday.

Michael Dwyer yesterday said that he would surely enter Kingston in the Garfield Stake, which carries \$10,000 added money, to be run at Morris Park on Aug. 10. He is a bright-enterer. If the time for receiving entries is extended as has been proposed,

Proctor Knott, whose death was mentioned in a column, has been interred at Saratoga. His funeral was attended by a large crowd of trainers and stable boys.

The police made raids on several pool-rooms yesterday. Another test is to be made concerning the legality of the commission business.

The improvement of Charles Pitts showed in his race yesterday was remarkable. He was beaten only a few days ago in very much the same, being ridden by Boggs. Yesterday Pitts won the \$1000 at Belmont Park, probably explains matters. Grand Prix beat all previous Jerome Park records, doing the half-mile in 48.7.

Eugene Leigh has discharged Jockey Harry Anderson, who while under the influence of liquor the other day assaulted his employer. John Weber has been charged by Mr. Leigh, and will ride his horses for the rest of the year.

Marty Bergen has taken possession of his handsome new residence at Maplewood, N. J.

The racing reporters and the bookmakers' staff will have another baseball game on Friday, Aug. 11, at 1 p.m., at 1 to 100 reporters, 100 to 1 bookmakers' girls.

Mike Dwyer bet \$5,000 on Lepanto 10-2-3 yesterday, and was just beaten out by Little, who got his nose in front at the last jump.

Secretary McElroy left for Baltimore last night to attend the meeting of the race meeting to be held at Pimlico track this Fall.

Jockey Hynes has sold old Neptune and Peril to the Kishan Stables. Terms not made known.

He pitched a shut-out for a great double play in the last inning.
